

**MONETT R-I SCHOOL DISTRICT
PROFESSIONAL GROWTH CREDIT
COLLEGE CREDIT:**

I. **Undergraduate Courses** may be taken as approved for teachers certifications, teaching reassignment and competency job targets designated by the Performance Based Teacher Evaluation process. Prior approval is necessary from the Superintendent of Schools.

II. **Graduate Courses** may be taken as approved, for teachers who are working toward a Master's Degree program for credit to apply. Graduate credit for educational level advancement must be in teaching fields or in related support areas with units of credit determined by the education institution. Prior approval is necessary from the Superintendent for courses not part of a college degree program.

EQUIVALENT CREDIT:

I. **Workshops/Seminars, Etc.** may be taken, as approved, to meet professional growth responsibilities. Approval of the Vocational Director, Special Education Director or Building Principal is required prior to enrollment. Only those experiences will be approved that are directly related to the teachers assignment. Similar experiences may not be repeated for credit.

II. **Travel Activity** may be taken as approved, to meet professional growth responsibilities. Prior approval is necessary from the Superintendent for travel experiences that must be outside of the mainland United States and directly related to the teachers assignment.

III. **Inservice Activity** may be used, as approved, to meet professional growth responsibilities. Prior approval is necessary from the Superintendent for local experiences dealing with: Curriculum, planning, policy development, etc. beyond regular assignments and responsibilities.
